Award Description*

This award provides an additional financial assistance source for the recipient's efforts to assess and cleanup petroleum releases from leaking underground storage tank (LUST) sites in Delaware. The cooperative agreement will fund several activities, such as: shovel-ready projects (sites ready for assessment and cleanup) that are typically orphan or abandoned sites, where the owners/operators of the sites are unknown or unable to pay for the required work. The overall purpose is to clean up contaminated LUST sites effectively, maximize job creation/retention, and provide economic and environmental benefits to the citizens of Delaware.
